Erratum to: A threshold method for immunological correlates of protection

Xuan Chen¹, Fabrice Bailleux², Kamal Desai^{3*}, Li Qin^{4,5} and Andrew J. Dunning⁶

Erratum

After publication of the original article [1], it came to the authors' attention that there was an error in the **Testing for the existence of a threshold** sub-section of the Methods.

Two formulae originally published in this sub-section were incorrect; the correct expressions are the negatives of the expressions published. The formulae should have appeared as follows:

$$D = 2l(a, b, \tau) - 2l(a')$$

and

$$D' = 2l(a, b, \tau) - 2l(a') \text{ for } a > b.$$
